11-9-2017

Dear Parents,

St. Catherine will be again offering Alternative School for inclement weather. The Archdiocese of Louisville has again approved for us to use 5 alternative learning days for our school year. We may not use any of the days and we may use them all. How does all this work?

St. Catherine will not have online school for snow days instead we will have “Orange Folder Days”. Students and parents will know in advance when we will have an “Orange Folder Day”. For example: If we are in school on a Tuesday and the weather appears that we will be out the next day for snow- then we will send home your child’s work in an orange folder for the anticipated snow day. Again we only have the alternative days if we have a good idea in advance that we will miss the next school day. Also, on the orange folder days-teachers will be checking their e-mail on the top of each hour from 9:00 a.m. – 2:00 p.m. if you or your child has any questions about the material sent home. All work in the folder is due back the next school day.

Students are expected to turn in their work the next school day- if they do not turn in their work they will be counted absent for the orange folder day. If your child is sick on an orange folder day you will still need to turn in a parent or doctor’s note.

If you have any questions about the Alternative school day or Orange Folder Day please do not hesitate to ask. You may contact your child’s teacher or me.

Thank you,  
Jo Renee O’Bryan

PS- I will also be sending out a One Call to parents (who signed up at the beginning of the year for One Call- you are signed up if you receive your Thursday Note via email) on the days we have inclement weather. The message will let you know if it will be an Orange Folder day or not.

Education  
Foundation

The Catholic Education Foundation, the Archdiocese of Louisville and our funding partners are helping more families than ever who cannot afford the full cost of educating their children in a Catholic elementary school.

**WHO CAN APPLY?** All families with one or more children enrolled in or applying to a Catholic elementary school in the Archdiocese of Louisville.

**WHEN DO I APPLY?** We've changed the application period so families can apply for assistance earlier than before. Tuition assistance applications should be submitted between **December 15, 2017 and February 28, 2018.**

**HOW DO I APPLY?** A single form, the FACTS management application, will be used for all forms of Catholic elementary school tuition assistance. Families must use the online application available on our website, **www.ceflou.org.**

To make the application process easier for families, we are changing the income tax information requirement. When submitting your application, you must submit your **2016** federal income tax return and **2016** W-2 information. Your 2017 tax information will not be required.

**DO I APPLY EVERY YEAR?** Yes, you must apply for tuition assistance each year.

**WHEN WILL I KNOW IF I HAVE BEEN GRANTED TUITION ASSISTANCE?** Tuition assistance award letters will be mailed to families no later than June 15, 2018.

### ADDITIONAL INFORMATION

■ Completed applications received by February 28, 2018 will participate in the initial grant awards. A much smaller amount of tuition assistance may be available for forms submitted after that date.

■ Complete only one FACTS application for your family, including all students in the family (elementary and high school) on the same form. FACTS will send a need evaluation to all funding sources for which each family could qualify as well as the schools you have listed on the form.
